

International Trade Fair
for logistics, transportation and handling
in the petroleum industry

27 – 29 Sept 2012

Messe Kassel / Germany

Press information

Kassel / Germany, 01 June 2012

expo PetroTrans 2012 – Let's fuel up!

The world of logistics and hauliers will be gathering in Kassel from 27 – 29 September 2012 for the most important event in the petroleum logistics calendar. This unmissable event for the key players in the industry has become an informative meeting place for those in the field and boasts an innovative supporting programme.

Fuel handling A-Z

The international trade fair will display all the innovations and information concerning the mobile petroleum industry. Visitors will find around 100 exhibitors in two double halls, comprising all the most important pace setters and renowned companies from all segments of the industry.

The current index of exhibitors can be viewed online under www.expopetrotrans.com.

Commercial vehicle trends, premiers, networking

expo PetroTrans is the ideal platform for intensive dialogue. Here the key players in the industry can get up-to-date with all the new trends and developments in the market and also have the chance to vote for the most outstanding innovation on display at the exhibition. The prize for innovation will be awarded on the last day of the exhibition.

This year, for the first time, the hosts and sponsors will be providing an opportunity for an informal get-together in the form of a big Fair Party to take place on 27 September 2012. From 6 p.m. onwards all visitors and exhibitors are invited

to come and enjoy complementary drinks and BBQ specialities, while having the opportunity to exchange impressions and make new contacts.

expo PetroTrans – a story of success

Since its launch in 2004, the International Trade Fair for Logistics, Transportation and Handling in the Petroleum Industry has taken place every two years and with more than 3800 visitors from over 40 countries in 2010, has become the leading trade fair in petroleum logistics. Once again in 2012 there will be exhibitors representing the following segments: filling stations, vehicles, equipment, superstructures, diagnosis, repair and maintenance, service, protective clothing, software for the petroleum and fuel industry, and lubricants.
